RELEVANT EXPERIENCE

SOFTWARE ENGINEER APPRENTICE GENERAL ASSEMBLY

Remote
January 2022 - Present

- 12 week full-time (60+ hours/week) immersive full stack software engineering bootcamp.
- Assisted with debugging our own code along with other Software Engineer Fellows' code.
- **Projects:**
 1. [Bussin bagels](#): Created a browser game using Canvas and JavaScript.
 2. [Filloo](#): Built a full-stack application with user authentication and CRUD functionality utilizing node.js, postgres, and express.
 3. [A day in the life](#): Utilized a git workflow to build a full-stack application using React, MongoDB, and Node.

REALTOR KARWOWSKI REAL ESTATE TEAM

Brentwood, CA
October 2019 - February 2022

- Coordinated with buyers and sellers to help achieve their real estate goals.
- Leveraged various software platforms to write and submit buyer and seller contracts.
- Utilized different CRMs and Slack to organize client information.
- Designed and deployed social media marketing efforts.

CASHIER THE HOME DEPOT

Brentwood, CA
March 2018 - August 2018

- Promptly and accurately assisted customers with checkout and answered any outstanding questions they had.
- Worked collaboratively with other cashiers and provided assistance as needed.
- Efficiently ran self-checkout by multitasking between four different customers at once.
- Located and informed customers of products using the store's inventory system.
